A Hands-On, STEM-inspired Wildlife Program Developed to Encourage Youth Interest in North Carolina's Natural Resources

CROWN COMPLEX IN FAYETTEVILLE – MARCH 16-18, 2018

\$5.00/STUDENT, 1 FREE TICKET WITH EACH 10 TICKETS PURCHASED!

Did you know that military bases have the highest density of endangered species of any federal lands, including national parks; or that Fort Bragg is managing several habitats found nowhere else in the world? Learn more about these unique ecosystems right here in our own backyard at the Cape Fear Wildlife Expo!

Activities planned for Elementary, Middle, and High School Students on Youth Day:

- ✚ Join an age-appropriate STEM-inspired scavenger hunt (Teachers Guide available)
- ✚ Explore career interests with dozens of wildlife professionals
- ✚ Come face-to-face with wolves, learn about the important roles wolves play in the wild
- ✚ Watch raptors in flight! Check out Owls, Hawks, Vultures, and more
- ✚ Examine the physics behind a successful fly cast
- ✚ Experience the thrill of saltwater fishing at the Bass Pro Fishing Simulator
- ✚ Participate in the ancient art of archery; and much, much more!

Call **Alan Singer**, Crown Complex Group Sales Coordinator at 910-438-4111 to reserve your tickets today!
